<b>Wine Style</b>	Light bodied, soft red	
<b>Colour</b>	Vibrant, violet rose	
<b>Tasting Notes</b>	Lively and leafy fresh berries greet the nose. On the palate, soft with mouth filling myriad of tropical fruit flavours with a charming Strawberry mellow sweet finish to the after palate.	
<b>Comment</b>	A wine style that is great for our summers refreshing light with plenty of fresh tropical fruits to compliment any alfresco dining situation. The twist top seal will preserve this freshness for an extended period by preventing air coming in contact through impermeable seal.
